

Mr. SIVARAMAKRISHNA CHAKKILALA

Senior Educational Consultant - School Affiliation & Compliance Advisory

KEY INSTITUTIONAL ROLES

- CEO & FOUNDER: EDUACCESS INFORMATION SERVICES PRIVATE LIMITED
- TRUSTEE: EDIFY SCHOOL, AMRAVATI
- CURRICULUM DESIGNER FOR CENTRAL BOARD OF SECONDARY EDUCATION (CBSE)

Professional Profile

Mr. C. Sivaramakrishna is a distinguished educationist, mathematician, and school leadership expert with extensive experience in guiding institutions through CBSE and ICSE affiliation processes. With over a decade of experience as the Principal of a Senior Secondary CBSE school in Maharashtra, he possesses deep, practical insight into the regulatory, academic, and infrastructural requirements essential for successful school affiliation and sustained compliance.

He is a CBSE-certified Resource Person and an accomplished Master Trainer who has trained more than 5,000 educators, including Principals and senior academic leaders, through CBSE Capacity Building Programmes. His strong understanding of CBSE frameworks, affiliation bye-laws, and institutional quality standards positions him as a trusted advisor for schools aspiring to establish or upgrade their board affiliations.

Mr. Sivaramakrishna has also been recognized by CBSE for his contribution to the review and development of Joyful Mathematics and Applied Mathematics (Grades XI & XII) training manuals. His involvement in CBSE academic initiatives further strengthens his expertise in aligning schools with board expectations, both academically and administratively.

Core Expertise & End-to-End Affiliation Support

As the Founder and Director of Eduaccess Information Services Pvt. Ltd., he has been instrumental in delivering end-to-end affiliation support services, including:

- Feasibility analysis and roadmap planning for new affiliations
- Documentation and compliance readiness as per CBSE/ICSE norms
- Infrastructure and statutory requirement advisory
- Pre-affiliation audits and inspection preparedness
- Academic planning aligned with board guidelines
- Post-affiliation compliance and quality assurance

CBSE Master Trainer & Resource Person Specializations

- Mathematics
- Life Skills
- Gender Sensitivity
- Classroom Management
- Remodelled Structure of Assessment

Strategic Initiatives & Partnerships

Under his leadership, Eduaccess has established a strategic partnership with the Bharti Airtel Foundation, through which several capacity-building and institutional development programmes have been successfully executed, reinforcing quality benchmarks in partner schools.

He has also led large-scale government and institutional training initiatives, including a Capacity Development Programme on "Life Skills, Leadership, and Action Research" for school heads and district-level education leaders across Telangana, demonstrating his ability to drive systemic educational transformation.

Mr. Sivaramakrishna has been associated with reputed school networks such as the Group of New Horizon Scholars Schools, the Group of CP Goenka International Schools, and the Group of Edify Schools and other Schools, where he has successfully guided institutions through CBSE and ICSE affiliation processes, ensuring seamless execution, regulatory compliance, and timely approvals.

Leadership & Vision

His core strength lies in translating complex affiliation norms into actionable institutional strategies, enabling schools to not only secure affiliation but also build sustainable systems aligned with national education standards. With a strategic, detail-oriented, and compliance-driven approach, Mr. Sivaramakrishna continues to support schools in achieving affiliation success, operational excellence, and long-term institutional credibility.

Mr. Sivaramakrishna is known for his strategic, participative, and result-oriented leadership style. His unwavering commitment to excellence continues to inspire educators and institutions to achieve sustainable growth, academic distinction, and a lasting legacy in education.
